→

# Reduced the cost in comparison to human review by 70%

Accuracy was delivered greater than 85%

→

PanoramAI achieved document recall at 90%

We are delighted with how PanoramAI has delivered such a thorough and detailed response in what was a complex and time sensitive matter.

Marc Thorley, Partner

We are extremely satisfied with the outcome from using PanoramAI. It delivered the results we needed impressively quickly and accurately.

Joe Ninan, Senior Associate

PanoramAI has been proven to deliver outstanding results. As a firm we embrace using the latest technology and PanoramAI fits this philosophy perfectly for us across the firm.

Jason Alvares, Head of Forensic Technology
